UMDPC CIRCULAR 7/2022

ALL HEALTH PRACTITIONERS

ALL HEALTH FACILITY OWNERS

RE ADVERTISING OF SPECIALISTS AND SERVICES NOT AVAILABLE IN A HEALTH FACILITY

Council salutes you all

Council has received complaints and has also noted that some facilities are advertising specialists and services that they do not offer. This, according to the Guidelines on Advertising, is illegal and unprofessional.

This act has led to some clients being fleeced of their money, mismanaged and in some instances has led to death.

The objective of this circular is to inform all of you that ALL health facilities must indicate only specialists and services that are available and are being offered.

All those facilities advertising non existing services must revise them forthwith.

Council will take stern action against health facilities that will not comply with this directive.
